A Place of Genuine Care
AND INDEPENDENCE

About Self Sufficient For Successful Living

We are an agency that value individuals with intellectual and developmental disabilities and Autism, honoring their abilities, respecting their choice, and achieving possibilities. Our staff members are working together to support healthy, safe, and fulfilling lives for our clients. We strive to help these individuals to live their lives as independently as possible in the way they want.

Our Mission Statement

Self Sufficient For Successful Living will assure that all individuals with intellectual and developmental disabilities and Autism will be treated with respect, dignity, equality, safety, and security accorded just as other members of society.

Services WE OFFER

Self Sufficient For Successful Living believes in a person's individuality. We understand that each person has unique qualities which we recognize and value. That is why we make sure that all the services we offer are person-centered, supporting each individual to explore and assert his/her own individuality.
